## **SOUTH CAROLINA ASSOCIATION OF COUNTIES**

**To:** County Chief Administrative Officers  
**From:** SCAC Staff  
**Subject:** Immigration Compliance Report

Budget Proviso 117.168 of the 2018-2019 Appropriations Act requires the South Carolina Law Enforcement Division (SLED) to publish the Immigration Compliance Report (ICR) to the General Assembly, Governor, and State Treasurer by December 31, 2018. The proviso mandates that "[e]very agency of this State, and political subdivisions thereof, shall provide documentation that SLED considers necessary for the publication of the ICR." Click here for a copy of the [proviso](#).

Click [here](#) for the SLED memorandum and the two ICR forms that SLED has developed in accordance with the proviso. The first form requires the responding official to affirm by signature that the county is in compliance with S.C. Code § 17-13-170(E). The responding official for this form should be the County CAO.

The second form requires the responding official to affirm by signature that the county is in compliance with S.C. Code § 23-3-1100. This code section provides that "a reasonable effort shall be made to determine whether a confined person is an [illegal alien]." For the counties with a jail that is maintained and supervised by the county council, the responding official for this form should be the County CAO. For the counties with a jail that is maintained by the sheriff, please have your sheriff sign the form and return the form to the County CAO. Once both forms are signed, the CAO should return the forms to SLED. The SLED memorandum specifies the method of return.

In order for SLED to certify that counties are compliant with the requirements of this proviso, these forms must be returned to SLED by December 17, 2018. The proviso states that "[t]he State Treasurer shall withhold any remaining disbursement from the Local Government Fund to any county or municipality that is not certified as compliant." Please ensure you return these forms by December 17, 2018, to ensure your county's share of the LGF is not withheld.

In addition to returning these two signed forms to SLED, please scan and email copies of the signed forms to SCAC so that we can assist in ensuring our counties' compliance with this mandate. The SCAC point of contact for this is James Knox, SCAC Staff Attorney, at [jknox@scac.sc](mailto:jknox@scac.sc). Please contact James Knox at (803) 206-1882 or via email with any questions you may have.

[ABOUT SCAC](#) [SC COUNTIES](#) [LEGISLATION](#) [MEETINGS](#) [SERVICES](#) [PUBLICATIONS](#)

**To:** County Chief Administrative Officers  
**From:** SCAC Staff  
**Subject:** Immigration Compliance Report

Budget Proviso 117.168 of the 2018-2019 Appropriations Act requires the South Carolina Law Enforcement Division (SLED) to publish the Immigration Compliance Report (ICR) to the General Assembly, Governor, and State Treasurer by December 31, 2018. The proviso mandates that "[e]very agency of this State, and political subdivisions thereof, shall provide documentation that SLED considers necessary for the publication of the ICR." Click [here](#) for a copy of the proviso.

Click [here](#) for the SLED memorandum and the two ICR forms that SLED has developed in accordance with the proviso. The first form requires the responding official to affirm by signature that the county is in compliance with S.C. Code § 17-13-170(E). The responding official for this form should be the County CAO.

The second form requires the responding official to affirm by signature that the county is in compliance with S.C. Code § 23-3-1100. This code section provides that "a reasonable effort shall be made to determine whether a confined person is an [illegal alien]." For the counties with a jail that is maintained and supervised by the county council, the responding official for this form should be the County CAO. For the counties with a jail that is maintained by the sheriff, please have your sheriff sign the form and return the form to the County CAO. Once both forms are signed, the CAO should return the forms to SLED. The SLED memorandum specifies the method of return.

In order for SLED to certify that counties are compliant with the requirements of this proviso, these forms must be returned to SLED by December 17, 2018. The proviso states that "[t]he State Treasurer shall withhold any remaining disbursement from the Local Government Fund to any county or municipality that is not certified as compliant." Please ensure you return these forms by December 17, 2018, to ensure your county's share of the LGF is not withheld.

In addition to returning these two signed forms to SLED, please scan and email copies of the signed forms to SCAC so that we can assist in ensuring our counties' compliance with this mandate. The SCAC point of contact for this is James Knox, SCAC Staff Attorney, at [jknox@scac.sc](mailto:jknox@scac.sc). Please contact James Knox at (803) 206-1882 or via email with any questions you may have.

Budget Proviso 117.168 of the 2018-2019 Appropriations Act requires the South Carolina Law Enforcement Division (SLED) to publish the Immigration Compliance Report (ICR) to the General Assembly, Governor, and State Treasurer by December 31, 2018. The proviso mandates that "[e]very agency of this State, and political subdivisions thereof, shall provide documentation that SLED considers necessary for the publication of the ICR." Click [here](#) for a copy of the proviso.

Click [here](#) for the SLED memorandum and the two ICR forms that SLED has developed in accordance with the proviso. The first form requires the responding official to affirm by signature that the county is in compliance with S.C. Code § 17-13-170(E). The responding official for this form should be the County CAO.

The second form requires the responding official to affirm by signature that the county is in compliance with S.C. Code § 23-3-1100. This code section provides that "a reasonable effort shall be made to determine whether a confined person is an [illegal alien]." For the counties with a jail that is maintained and supervised by the county council, the responding official for this form should be the County CAO. For the counties with a jail that is maintained by the sheriff, please have your sheriff sign the form and return the form to the County CAO. Once both forms are signed, the CAO should return the forms to SLED. The SLED memorandum specifies the method of return.

In order for SLED to certify that counties are compliant with the requirements of this proviso, these forms must be returned to SLED by December 17, 2018. The proviso states that "[t]he State Treasurer shall withhold any remaining disbursement from the Local Government Fund to any county or municipality that is not certified as compliant." Please ensure you return these forms by December 17, 2018, to ensure your county's share of the LGF is not withheld.

Fro

In addition to returning these two signed forms to SLED, please scan and email copies of the signed forms to SCAC so that we can assist in ensuring our counties' compliance with this mandate.
